Name \_\_\_\_\_

Address \_\_\_\_\_

Telephone Number \_\_\_\_\_

**Address of Subject Property:** \_\_\_\_\_

**Parcel Identification Number:** \_\_\_\_\_

**Size of Subject Property** (in acres): \_\_\_\_\_ *(include survey with legal description)*

Before the Planning Commission will consider the application for a Wireless Communication Tower or Facility, Applicant(s) must complete this application form, pay all fees, make any required escrow deposits, and attach:

- A site plan review application
- Proof the new commercial wireless communication service tower cannot be accommodated on an existing or approved tower

*Required Attachments, Continued.*

- 
- A report prepared by a qualified and licensed professional engineer (including the engineer's stamp and registration number) indicating the existing structure or tower's suitability for the antenna, including the following:
    1. Describes the tower height and design including the cross section and elevation.
    2. Documents the height above grade for all potential mounting positions for co-located antennas and the minimum separation distance between antennas.
    3. Describes the tower's capacity, including the number and type of antennas that it can accommodate and the number of spaces that are to be utilized by the tower owner.
    4. Certifies and documents that the equipment shall not interfere with the established public safety communications.
    5. Documents tower removal agreement, letter of credit, performance bond and/or other security with the application.
    6. Includes other information necessary to evaluate the application as may be requested by the Township.
  - Supporting documents and exhibits if the antenna or wireless communication will be located on Township property in accordance with Section 8.15 of the Zoning Ordinance.

Applicant(s) Certification:

Applicant(s) and Owner(s) acknowledge(s) that the information submitted in and with this application is true and correct to the best of his or her knowledge.
